An iAppSys Oracle Database Upgrade Solution

## Out-of-the-box Oracle Database Upgrade

With the iAppSys Standard Edition to Enterprise Edition upgrade, it's as easy as "One Click"

- ✓ **FREE Enterprise Software Evaluation**
- ✓ **Discovery and Solution Planning Session for Upgrade**
- ✓ **Software Licensing, Support, and Implementation**
- ✓ **FREE Upgrade Support (2-5 Days of Upgrade Support)**
- ✓ **Migration path for existing in-house solutions**

With essentially "one click" of the keyboard, iAppSys Oracle customers can "Upgrade" their Oracle SE and SE2 licenses to Oracle Database Enterprise Edition, plus add additional options like Oracle Advanced Security, Oracle Partitioning, Tuning Pack and Diagnostics Pack, and other Oracle Enterprise Edition Options.
